Submit Application to MCDOT

This is the final page of the Article 5 Application. We suggest that you review the entire application and make any corrections before final submission. When you are satisfied with your entries, complete the bottom of this screen and then click on the submit button at the lower left hand corner.

Once you click Submit, you will receive an email verifying that your application has been submitted. The body of the email will include the significant portions of the application, but not all the information included. It is recommended that you view the completed application and print a copy for your records before you submit.

I attest to the fact that all of the information contained in this submittal is complete, true and accurate.
